

Bruno's Unwavering Commitment to Life

Paid by Bruno Portigliatti, Republican, for State Representative.

“THERE IS NO ROOM FOR DOUBT”

A devout Christian, Bruno was raised with the belief that all life is a precious gift from God, no matter how small. Now as a community advocate and business leader, Bruno has continued to put his faith into practice every day whether through his work at Florida Christian University or through his non-profit, New Beginnings Global Outreach.

Bruno shares our Christian values, and he'll fight to protect them in the Florida House. Defending our religious liberty, preserving the Judeo-Christian values of our constitution, and working to defund abortion providers like Planned Parenthood will all be top priorities for Bruno as our representative.

Bruno Believes

- All life is precious and deserves protection
- Our nation needs to adhere to the Judeo Christian values our country was founded on
- Marriage is a sacred covenant between one man and one woman
- Religious freedom is expressly protected by our Constitution
- We must only appoint judges that strictly interpret the Constitution and don't legislate from the bench.
